INFORMED CONSENT FOR CHIROPRACTIC CARE

I hereby request and consent to the performance of chiropractic adjustments and other chiropractic procedure, including various modes of physical therapy and diagnostic x-rays, and any supportive therapies on me (or on the patient named below, for whom I am legally responsible) by Dr. Nelson S. Ong, D.C. and/or other licensed doctors of chiropractic and support staff who now or in the future treat me while employed by, working or associated with or serving as back-up for the doctor of chiropractic named above, including those working at the clinic or office listed above or any other office or clinic, whether signatories to this form or not.

I have had an opportunity to discuss with the doctor of chiropractic named above and/or with other office or clinic personnel, the nature and purpose of chiropractic adjustments and procedures. I understand that results are not guaranteed.

I understand and am informed that, as in the practice of medicine and like all other health modalities, results are not guaranteed, and there is no promise of cure. I further understand and am informed that, as in practice of medicine, the practice of chiropractic, which involves the use of hands in such a way to restore proper motion to the joints, there are some risks of treatment, including, but not limited to, fractures, disc injuries, strokes, dislocations and sprains. Tests are employed in the doctor's exams to identify if I am susceptible to an injury such as stroke. I do not expect the doctor to be able to anticipate and explain all risks and complications. I wish to rely on the doctor to exercise judgment during the course of the procedure which the doctor feels at the time, based upon the facts known, is in my best interests.

I further understand that there are treatment options available for my condition other than chiropractic procedure. These treatment options include, but not limited to, self-administered, over-the-counter analgesics and rest; medical care with prescription drugs such as anti-inflammatories, muscle relaxants and painkillers; physical therapy; steroid injections; bracing; and surgery. I understand and have been informed that I have the right to a second opinion and to secure other options if I have concerns as to the nature of my symptoms and treatment options.

I have read, or have had read to me, the above consent. I have also had an opportunity to ask questions about its content, and by signing below I consent the entire course of treatment for my present condition and any future care I may receive from Dr. Nelson S. Ong, DC or any other licensed doctor of chiropractic working in their stead.

THIS IS A DIRECT ASSIGNMENT OF MY RIGHTS AND BENEFITS UNDER THIS POLICY. This payment will not exceed my indebtedness to the above-mentioned assignee, and I have agreed to pay in a current manner, any balance of said professional service charges over and above this insurance payment.

I understand that it is my responsibility to know my benefits and I understand that Ong Family Chiropractic "OFC" will act on my behalf to obtain payment for services rendered to me and/or my dependents.

Furthermore, I understand that OFC will prepare any necessary reports and forms to assist me in making collection from the insurance company and that any amount authorized to be paid directly to OFC will be credited to my account upon receipt. However, I clearly understand and agree that all services rendered to me are charged directly to me and I am personally responsible for payment. I also understand that if I suspend or terminate my care that any fees for professional services rendered to me will be due and payable within 30 days.

I understand that in the event I receive any check, draft or other payment subject to this agreement, I shall act as fiduciary agent for OFC and will immediately deliver it to OFC to be applied to my debt for services rendered.

I authorize the use of my signature on all insurance submissions. A photocopy of this assignment shall be considered as effective and valid as original. I also authorize the release of any information pertinent to my case to any insurance company, adjuster, or attorney involved in this case.

Being that this lien is contractual in nature and irrevocable, it will supersede any future bankruptcy filings and proceedings and payment will still be due.
